PRINCIPAL'S REPORT

On Sunday the Premier made the announcement that regional Victoria will return to remote learning this coming week. All students who can learn from home, will learn from home. Children attending school today have taken home a work pack for the remainder of this week, as well other resources required for remote learning. I will have a letter with further details sent out today, as we are still waiting for clarification from the Premier.

Tomorrow Tuesday 4th August, will be a pupil free day to enable staff to continue to develop our online learning as we move to this learning next week. I understand that these Stage 3 restrictions will be challenging for all but if we work together, we will have our best chance to keep everyone safe.

We will also have a pupil free day for staff professional development on Friday as we have advertised. The YMCA will provide care for children who have booked a place.

Finally, the extremely short turnaround has been a huge challenge, however the wonderful messages of support and genuine care from the community directed to us all have been truly valued. Our staff continue to work hard to provide the best we possibly can and I thank them for their hard work and dedication to our school.

We continue to keep everyone in our school and the broader community in our thoughts and prayers. All the best to everyone, take care and stay safe.

 Principal

EXPRESSIONS OF INTEREST

Catholic Education Sandhurst Ltd has been established under the auspices of Bishop Shane Mackinlay to oversee the strategic direction of the Diocesan system of Catholic schools in compliance with Australian law and Victorian regulatory authorities as well as in accordance with CECV policy and the Diocesan Charter for Catholic Education.
