## PRINCIPAL'S REPORT

Welcome to the 2022 school year, it certainly has been a beginning preceded with much anticipation. It was great to see the children's smiling faces coming through the gate, ready to reunite with friends, make new friendships and learn at school. We have welcomed 42 Foundation children who have joined our Holy Rosary community and we look forward to sharing the journey of primary school with them and their families.

In addition, we have also welcomed new staff to our school and again we look forward to welcoming them and working together.

I have sent through the most recent and up to date COVID information as it has come to hand and today we have sent home the 'RAT' kits with all children on site and as per Government requests we ask that parents use 2 tests per week to support a safer school environment. As per our instructions only positive 'tests' need to be reported to the school and the Department of Health, and then the subsequent isolation will be required.

COVID vaccination for students is not mandatory to attend school, but it is highly encouraged to keep all staff, children and their families safe. All children aged 5 and above are now eligible for a COVID-19 vaccination.

Masks will be mandatory for students in grade three and above when indoors, and for staff other than when they are communicating or teaching from the front of a classroom, where a mask may impede their ability to teach. Mask wearing is "recommended" for students in grade prep to two. We have limited supply at school and request families ensure they have sent a mask along to school with their children.

Most importantly, children with any Covid-19 symptoms should be tested for Covid-19 and kept at home, even if they test negative on a rapid antigen test, until their symptoms subside. If your child becomes sick while at school, they will be sent straight to the sickbay and you will be called to come and pick them up.

The Marong Cup will be held on Saturday 19th February. We look forward to being able to once again be a part of this fundraiser for all catholic Schools in Bendigo. If you are available we will need volunteers, and will provide more information in the coming days.

Finally, if you need to discuss an issue or concern please contact your child's classroom teacher and an appointment may be made, particularly now as parents are unable to be in the classroom.

We look forward to an exciting year ahead and providing the best possible environment for learning and building our great community.

Paul Wilkinson  
Principal

## PASTORAL CARE

Here we are in 2022! I am hoping our school community has been able to spend time with family, friends and enjoy some sunshine. It will be another challenging year for our school community this year. We will have to once again be understanding and flexible with the ever-changing protocols and rules of COVID19, trying at the forefront to keep our community big and small as safe as possible.

FoodShare will be up and running in the coming weeks. I encourage all families in our school community to utilise this program within our school. Once the FoodShare area is set up I will provide further details on how you can access the program.

Attendance at school is paramount for children. We do understand with the last 2 years there may be children who are worried, anxious or refusing to attend school. If this is the case, the first point of call is their classroom teacher to discuss supports that can be put in place. However, if further support, advice or assistance is needed the Pastoral Care and Wellbeing Team is here to assist you. Please make contact by phone or email.

Thursday Community Breakfast Program will be continuing. This program provides vegemite toast and milo to students before school. All students are encouraged to come and say hello and help themselves to vegemite toast and milo. Please note we use white bread, full cream cow's milk, and margarine within this program. The program is supported by donated milk weekly and we thank school families for donating the milo and vegemite used in the program.

Family meals will also be available for families when in need. All meals are pre-cooked and require reheating. If you are aware of a family who needs a meal, please contact me and I will make sure they are provided a meal to suit their family needs.

If you need to contact me for support, assistance or would like to discuss how the Pastoral Care Team can assist you please call the school and ask for Megan Gerrish or you can email me at [mgerrish@hrwhitehills.catholic.edu.au](mailto:mgerrish@hrwhitehills.catholic.edu.au)

- Megan Gerrish (Pastoral Care, Wellbeing and Compliance Leader)

## How Can We Help?

In the Pastoral Care / Wellbeing Team we would like to offer any support that we can, whether it be emotional, physical, spiritual or mentally. We can assist with support relating to your child or needs your family may have at the present time.

### We may assist with

- Practical Help (Meals, groceries etc)
  - A Listening Ear
  - School Attendance
- General information & advice, with links to outside agencies & community support

- Megan Gerrish (Pastoral Care Leader)

## CYBER SAFETY

Cyber Safety becomes more important every day. Recently there have been some changes to the Cyber Safety Laws in Australia. Please see an excerpt from the fact sheet provided by the E Safety Commissioner.

### What is the Online Safety Act 2021?

The Online Safety Act 2021 is new legislation that makes Australia's existing laws for online safety more expansive and much stronger.

Our laws need to keep pace with advances in technology and the threats we face online from harmful behaviour and toxic content. These modern times of rapid change and social upheaval call for robust new laws.

The new powers in the Online Safety Act cement eSafety's role as a world leader in online safety. They place Australia at the international forefront in the fight against online harm.

### What does the Online Safety Act 2021 mean for Australians?

The Act has significant implications for online service providers because it makes them more accountable for the online safety of the people who use their service.

The Act gives eSafety substantial new powers to protect all Australians – adults now as well as children – across most online platforms and forums where people can experience harm.

There is, for the first time, a clear set of expectations for online service providers that makes them accountable for the safety of people who use their services.

The Act also requires industry to develop new codes to regulate illegal and restricted content. This refers to the most seriously harmful material, such as videos showing sexual abuse of children or acts of terrorism, through to content that is inappropriate for children, such as high impact violence and nudity.

### What are the main changes in the new Act?

The Online Safety Act:

- creates a world-first Adult Cyber Abuse Scheme for Australians 18 years and older
- broadens the Cyberbullying Scheme for children to capture harms that occur on services other than social media
- updates the Image-Based Abuse Scheme that allows eSafety to seek removal of intimate images or videos shared online without the consent of the person shown
- gives eSafety new powers to require internet service providers to block access to material showing abhorrent violent conduct such as terrorist acts
- gives the existing Online Content Scheme new powers to regulate illegal and restricted content no matter where it's hosted
- brings app distribution services and search engines into the remit of the new Online Content Scheme
- introduces Basic Online Safety Expectations for online service providers
- halves the time that online service providers have to respond to an eSafety removal notice, though eSafety can extend the new 24 hour period.

For more information, you can visit the following website <https://www.esafety.gov.au/whats-on/online-safety-act>

## CONVEYANCE ALLOWANCE PROGRAM (CAP) 2022

The Conveyance Allowance is a form of financial assistance from the Victorian State Government to assist families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school. The allowance is available to parents who are required to –

- drive their child more than 4.8 kilometres to school (if there is no school bus)
- or drive their child more than 4.8 kilometres to meet the nearest school bus to the school
- the child must attend their closest government or non-government school (Catholic)
- the allowance is based on kilometres travelled and not based on any financial eligibility

Distance is calculated by the shortest practical route from home to the school or from home to meet the nearest school bus to the school. Distance can be calculated by using Bing Maps. Application and Authority to Pay Forms required to be completed by a parent are available from the school office.

Parents who received the Conveyance Allowance in 2021 do not need to complete a new form in 2022 unless their children enrolled at Holy Rosary in 2022 have changed (i.e. Gr 6 student left at the end of 2021 or a Foundation child commenced in 2022). If your family circumstances have changed, a new form needs to be completed in 2022.

If you have recently changed address please advise the office if you are no longer eligible. Application and Authority to Pay forms need to be completed and returned to the office by Friday 11 March 2022 please.

Further information can be found at: <https://www2.education.vic.gov.au/pal/conveyance-allowance/policy>

If you are unsure if you may be eligible, please do not hesitate to contact the school office.
