PRINCIPAL'S REPORT

On Sunday we moved into the liturgical week of celebrating the feast of Corpus Christi, which is Latin for 'the body of Christ', a time for focusing on the Eucharist as a symbol of unity.

St. Augustine said that we should say a double "Amen" to "The body/blood of Christ". Amen meaning YES, yes, I believe that this is the living presence of Jesus and, Amen - Yes, I chose to belong to these people, the body of Christ.

For me this yes also flows into our recently celebrated FIRE carrier commissioning ceremony. This event also fills me with hope and a deep sense of gratitude for the wonderful community that we have here at Holy Rosary. It was inspiring to witness the incredible enthusiasm and openness that our staff, students and parents brought to the FIRE carrier ceremony on Friday.

Reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community and Aboriginal and Torres Strait Islander peoples.

Congratulations to the following students and staff members; Conor Van Der Staay, Catherine Walsh, Jasmin O'Sullivan, Nicole Morrison, Hannah Torney, Summer Whyte, Delilah Boland, Tom Barlow, Evie Dickins and Liam Gladman, all who were commissioned at our service.

We are truly blessed to be able to journey together not only in faith but in the opportunity to grow, learn, and serve one another.

In addition, I wish to formally thank Michael Chisholm and Troy Firebrace from the CES Ltd office for their attendance. Troy is always full of wisdom and appreciation for his people and so willing to openly share his life experiences with us and his heartfelt joy in working alongside our school's FIRE carriers. We are overjoyed to be learning about our First Nations people through such an amazing mentor.

Finally, thank you to Mr Conor Van Der Staay, who has taken on the role of Indigenous Coordinator. He is also working hard to support our school as we make changes to comply with Child Safe Regulation regarding the embedding of Indigenous perspectives and expectations within our school community.

Unfortunately, due to unforeseen circumstances our new social worker, Myf Truscott will not be able to join us this week as originally planned. However, we look forward to welcoming Myf at the beginning of Term 3.

The 2024 acceptance of enrolment offers is well under way and we will begin scheduling foundation interviews early Term 3, once Paul has returned from his study tour in Chicago.

We have noticed an increase in some unsafe behaviours while using the Napoleon Crescent school access point during school drop off and pick up times. As such I would like to encourage families who are not intending on entering the school grounds (therefore not necessarily requiring a parking spot) to embrace other points of access. The school drive thru encourages our children to keep road safety rules in mind. It also reinforces safety messages and safe passenger behaviours for both parents and children. In addition, this drop off and pick up system also teach the children cooperation and patience as they wait their turn and are called by an adult. Knowing and following the schools drop off and pick up practices will help make it safer for everyone.

When using the drive thru please respect the following:

- Driver to remain behind the wheel in control of the vehicle at all times
- Requests to complete a drive thru loop if child is not in the waiting zone
- No stopping or pulling over underneath the COLA
- Slow Entry and Exit speed

Hopefully, you are all well rested after the long weekend break and you have enough fuel in the tank to see you through to the end of term. Having said that, please be kind to each other and remember that this is a very tiring time for many of our children.

Deputy Principal

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight = **4** weeks = Over **1** year missed

1 day per week = **8** weeks = Over **2.5** years missed

ANANSE STORIES

On Friday 9th of June, the Foundation, Grade 1 and Grade 2 students participated in an educational event facilitated by Ananse Stories. Sam narrated stories and introduced students to African music and dance.

I liked the story about the chicken breaking the drum. I loved the music and stories that the students made with Sam, it made me feel like I was in the African Community. – *Edith 1GS*

It was fun to dance while the children played music for us. Sam showed us a magic pocket, it was not magic for our country but it is regarded magic in Africa. – *Indy 2SD*

AROUND THE SCHOOL...

Congratulations to Natalie Hoffrichter as she recently returned home from the World Championships in Hawaii with her cheer Team. She hit zero at the competition and placed second. Well done Natalie!

And recently the Grade 5/6's have been doing netball during their PE lessons. They have been learning chest, bounce and lob passes and have even been playing a few games with each other and having lots of fun with it. – *Ruby D & Leo W (6DW)*
