*** Caritas Australia *** Until recently, people in Dhaniram's village were unaware of the Government's social security schemes that support India's most vulnerable communities. Since becoming involved in the Hamara Hak ("Our Rights") project, Dhaniiram and his community have learnt about their rights and have been empowered to speak up for themselves. Now, real change is taking place. Please donate to Project Compassion 2016 and help vulnerable communities in India learn more about their rights so they are empowered to speak up, ask for their rights and create lasting change.. www.caritas.org.au/projectcompassion
