PRINCIPAL'S REPORT

Welcome back to the beginning of Term 2. I hope that all families had a very enjoyable and relaxing holiday break and took time to stop and embrace the spirit of Easter. As we continue to celebrate the Easter period, we think about Jesus' dying salvation for us and his resurrection as a sign of new hope, the hope of living a fulfilling life. May the blessings of Easter be with us as we embark on the new term, which is full of new opportunities and experiences for our children.

Next Sunday, as Australians we honour all of the men and women who have participated in wars, conflicts and peacekeeping operations around the world, including the ANZACs who fought at Gallipoli in Turkey during World War I, as part of the ANZAC Day celebrations. Although COVID restrictions will again make things a little different, dawn services and commemoration events throughout Australia and the world, we remember and give thanks to all of the fallen who sacrificed their lives for the freedom and peace we experience today.

Term 2 is enrolment time and we will be holding our information night, open days and tours. If you are an existing family with a child ready for Foundation (Prep) in 2022 we ask that you return a completed application for enrolment as soon as possible. Parents are welcome to tour the school any school day, however we ask that you contact the office to make a booking. We will also have tours available during open week later this term as we have in previous years. Bookings will not be required during open week. Parents are asked to spread the word, you are our greatest ambassadors and we appreciate your support.

Term 2 is also camp time for the Grade 4's and Grade 6's. Our Grade 6 students will head away to Anglesea for school camp in the third week of Term. We look forward to a great time away. Camp is a great time for developing independence, and as a school we place a strong emphasis on developing leadership skills.

Due to the current circumstances the dates shown in the calendar for this term are subject to change.

Finally, Term 2 will see all children in winter uniform. We will have a transition fortnight with the expectation that all children will be in winter uniform from Week 3. Thank you in advance to all parents who support us in this aspect of school. We are proud of our uniform and see it as an important aspect of our school. Please see your child's classroom teacher or myself if you have any questions or concerns regarding the school uniform.

COMMUNITY MASSES

Our next community house mass will be held on Saturday 1st May @ 6pm for McAuley families.

“HATS ON!” AT HOLY ROSARY UNTIL MAY 1

At Holy Rosary, our SunSmart Policy notes that all children will be required to wear school broad brimmed hats from ‘Hats On Day’ - September 1 to ‘Hats Off Day’ - May 1, whenever they are outside including sports lessons. However, until the UV rating is consistently below 3, we will continue to ask children to wear their hats when outside for protection. Children without hats will be required to remain under cover near the Grade 1 rooms. – ‘NO HAT, NO PLAY’ policy will be enforced.

With this in mind, we ask all students to continue to wear their hats until at least week 3 of this term.

THURSDAY MORNING BREAKFAST PROGRAM – THANK YOU

Thank you to those families that donated Milo and Vegemite for our Breakfast Program. Your generosity means we can continue to offer this children breakfast on a Thursday morning. We now have a good stock again to get us through another term or two!

HOLY ROSARY BUS TRAVELLERS

Holy Rosary's new bus booking system is now up and running!

We know that travel plans can vary week to week so our new booking system allows parents to make changes via PAM/Simon Everywhere.

If your child is a bus traveller, we recommend you log in to your PAM account and check that their default schedule looks correct and familiarise yourself with how to add or remove a bus trip.

If you have any questions please contact the school office.

SCHOOL SPORT – WHAT'S HAPPENING?! *Troy Coates (PE Coordinator)*

HOLY ROSARY CROSS COUNTRY 2021 – FRIDAY, APRIL 30TH

On the second Friday back next term, we will have our school Cross Country. While running isn't everyone's favourite thing to do, it's important that all children at Holy Rosary participate. They will be given opportunities to practice their running as part of PE, however as we know, the more exposure we have to something we find challenging, the more comfortable we are with it. Your support in giving your child the best chance to be successful on the day would be greatly appreciated. We encourage parents to come and support their child on the day.

Wellbeing

Welcome back to Term 2. I hope families had an enjoyable holiday break. The start of a new term can often be full of mixed emotions, for both students and parents/carers. Excitement at seeing friends again, yet sometimes difficult to get back into the routine of school/work. Re-establishing routines such as sleep, meal times and homework can be difficult to adjust to. However routine behaviours such as waking at the same time, having breakfast and getting dressed get us ready for the day ahead. They underpin productivity, learning and wellbeing. If we remove or drastically change routines many children (and adults) struggle, particularly those who are prone to anxiety and depression. While holidays are often a time to relax our normal routines, it is important to establish some sort of routine that works for your child/ren and family. Routines can be adapted, and this also helps children build resilience (their ability to cope with change). Daily routines help:

- family life run more smoothly
- families enjoy more time together
- children feel safe, develop life skills and build healthy habits
- parents feel organised, reduce stress and find time for enjoyable activities

One of the most important routines is our sleep routine. The benefits of good sleep routines are enormous and impact children's learning, memory and emotional stability. Sleep restores the brain to optimum condition and rejuvenates the body, allowing hormone levels to stabilise. Sleep-deprived children experience greater anxiety doing routine tasks and have a propensity for pessimistic thinking, which is associated with anxiety and depression. It is not just how long we sleep for, but the quality of our sleep that determines if we are functioning well.

More information on the importance of routines and how to develop routines for different ages can be found on the Raising Children website <https://raisingchildren.net.au/grown-ups/family-life/routines-rituals-relationships/family-routines>
